- Find the currently installed WooCommerce Business, Wedding Card & Flyer Designer Plugin and click Deactivate
- After deactivation click Delete to remove the old version (your saved setting will not be lost)
- Click Install Plugins and click Add New
- Click the Upload Plugin button
- Navigate the new version archive card\_designer.zip on your computer and click Install Now
- When installation is done please click Activate to activate plugin

### Update using FTP

Follow the steps bellow to update using FTP

- Unzip the new version archive card\_designer.zip to a desired location on your computer. These extracted files will be uploaded later via FTP
- Connect to your server via FTP (Use FileZilla or any other FTP client)
- Navigate to /wp-content/plugins/ server directory and delete the current plugin folder /card\_designer/
- Locate the local directory where you have unzipped the new version archive card\_designer.zip
- Upload local folder /card\_designer/ to remote /wp-content/plugins/

## 2 User Guide

---

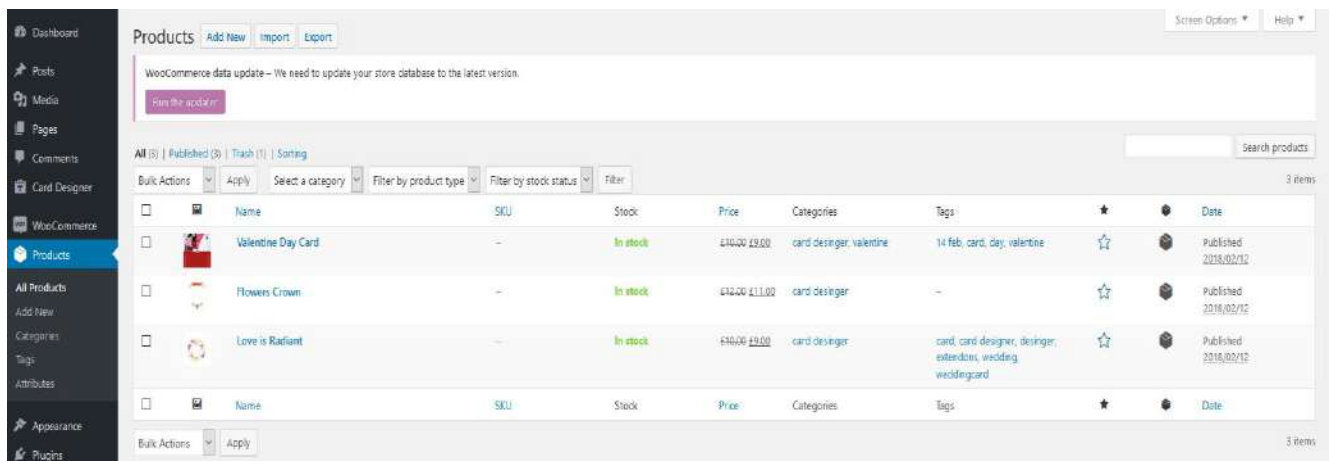

After installation of plugin, login to admin panel and flush your cache storage.

### 2.1 How to Add Customizable Card

---

#### Step 1 - Go to Products:

At the backend go to "Products", here you will find all your products. Click on on "Add New" to continue.

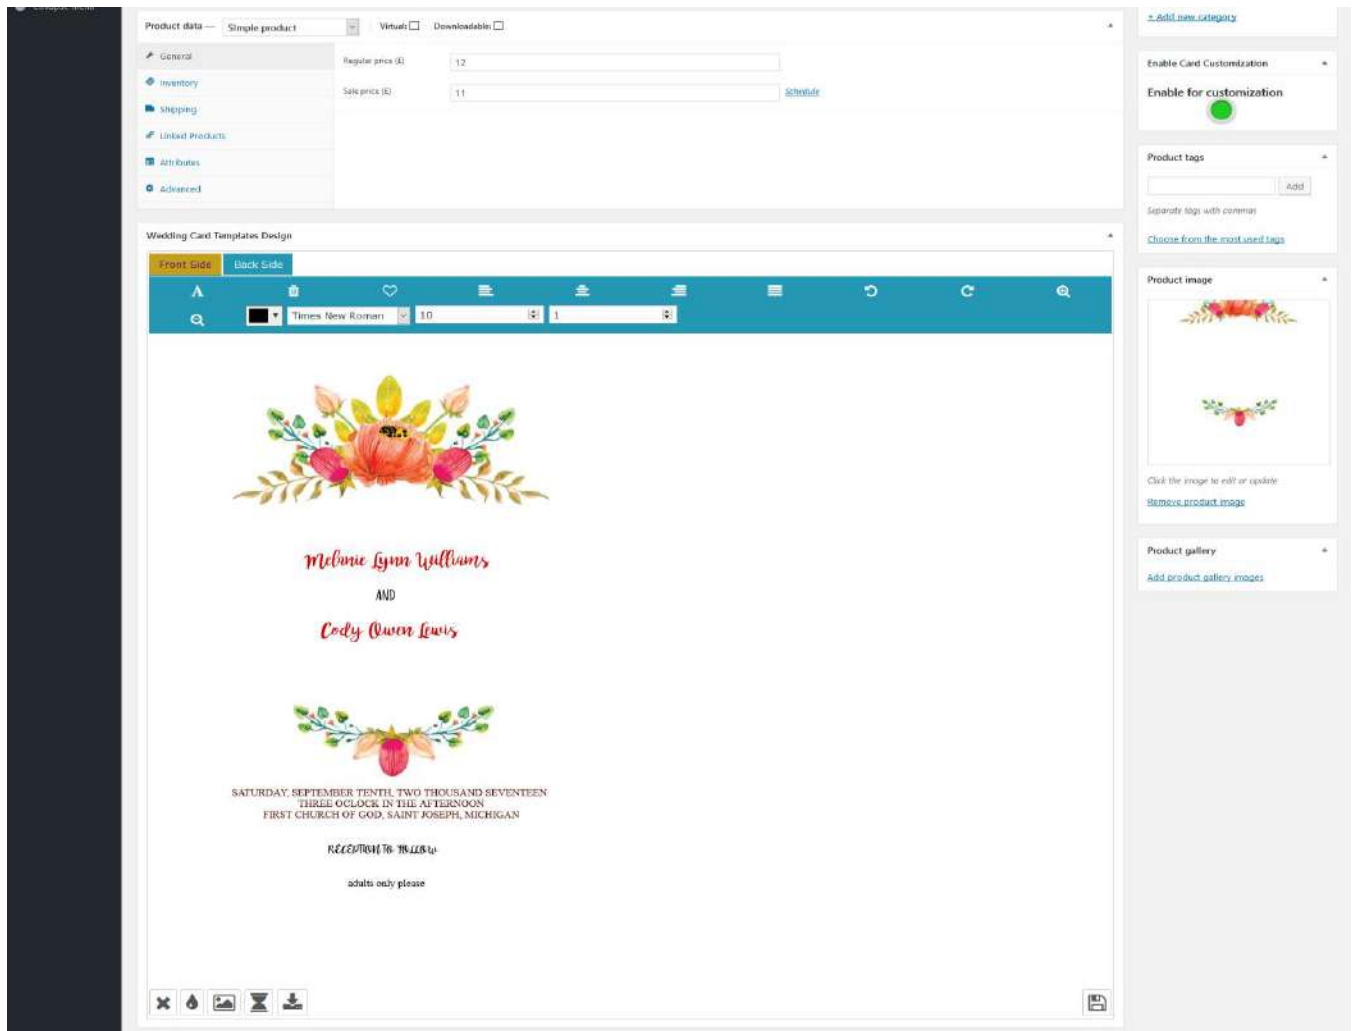

The screenshot shows the WordPress admin dashboard with the 'Products' page selected. The left sidebar contains navigation menus for Dashboard, Posts, Media, Pages, Comments, Card Designer, WooCommerce, and Products. The main content area shows a notification about a WooCommerce data update, followed by a table of products. The table has columns for Name, SKU, Stock, Price, Categories, Tags, and Date. Three products are listed: 'Valentine Day Card', 'Flowers Crown', and 'Love is Radiant'. Each product row includes a checkbox for bulk actions, a star icon for favorites, and a date of publication.

Name	SKU	Stock	Price	Categories	Tags	Date
Valentine Day Card	-	In stock	£40.00 £9.00	card designer, valentine	14 feb, card, day, valentine	Published 2018/02/12
Flowers Crown	-	In stock	£42.00 £11.00	card designer	-	Published 2018/02/12
Love is Radiant	-	In stock	£30.00 £9.00	card designer	card, card designer, designer, extendes, wedding, weddingcard	Published 2018/02/12

#### Step 2 - Customize your Product:

At the product page you can customize the card as par your requirements. Enable the customizable settings here so your customers can do the same.

### Step 3 - Frontend:

Now at the frontend your product will be featured as the following. You can always go back and edit this information.

SALE!

# Flowers Crown

£12.00   **£11.00**

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged.

## 2.2 How to Add Clip Arts

### Step 1 - Go to Card Designer:

At the backend go to "Card Designer", here you will find all your uploaded clip arts. Click on "Add Clip Art" to continue.

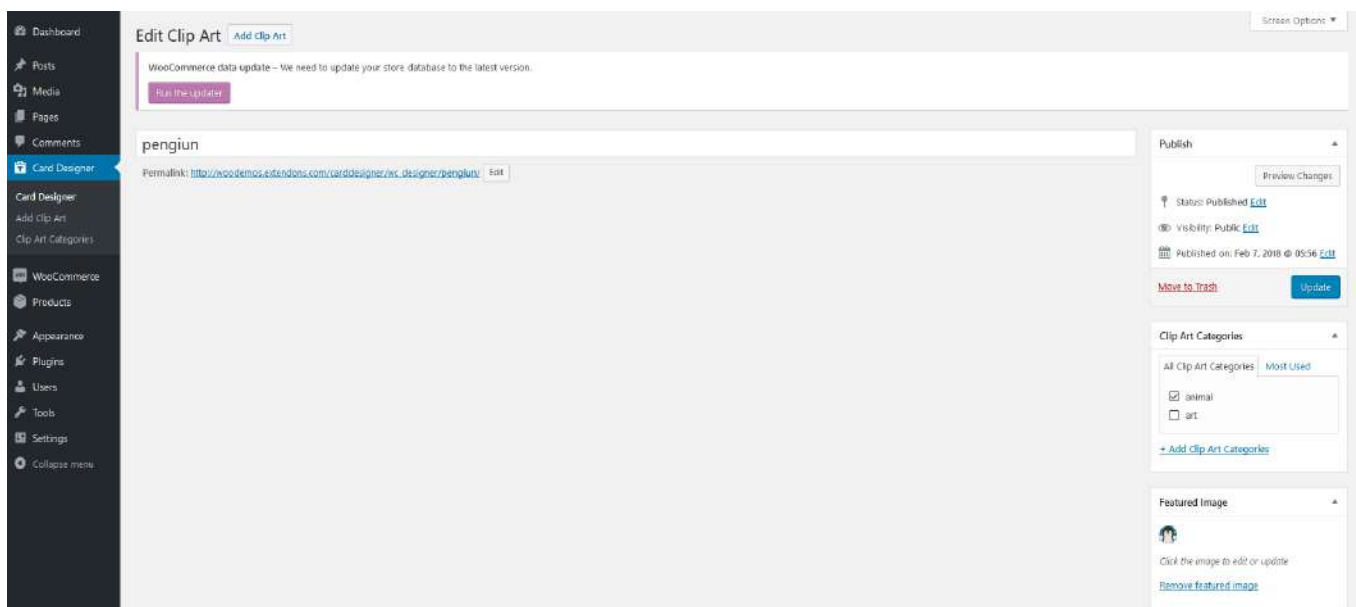

The screenshot shows the WordPress admin dashboard with the Card Designer plugin interface. The left sidebar contains navigation menus for Dashboard, Posts, Media, Pages, Comments, Card Designer, WooCommerce, Products, Appearance, Plugins, Users, Tools, Settings, and Collapse menu. The main content area is titled "Card Designer" and includes a "WooCommerce data update" notification. Below the notification, there is a search bar and a table of clip arts. The table has columns for Title, Clip Art Categories, and Date. The clip arts listed are: penguin (animal), pencil color (art), panda (animal), point 2 (animal, art), point (art), measuring (animal), giraffe (animal), and fox (animal).

Title	Clip Art Categories	Date
<input type="checkbox"/> penguin	animal	Published 2018-02-07
<input type="checkbox"/> pencil color	art	Published 2018-02-07
<input type="checkbox"/> panda	animal	Published 2018-02-07
<input type="checkbox"/> point 2	animal, art	Published 2018-02-07
<input type="checkbox"/> point	art	Published 2018-02-07
<input type="checkbox"/> measuring	animal	Published 2018-02-07
<input type="checkbox"/> giraffe	animal	Published 2018-02-07
<input type="checkbox"/> fox	animal	Published 2018-02-07

### Step 2 - Upload Clip Art:

No here you can upload clip arts from your system to the plugin. You can give it any information and edit it as per your requirements.

The screenshot shows the WordPress admin dashboard with the Card Designer plugin interface. The left sidebar is the same as in the previous screenshot. The main content area is titled "Edit Clip Art" and shows the form for editing the clip art "penguin". The form includes a title field with "penguin" entered, a permalink field with "http://woodemos.e12demois.com/carddesigner/nc\_designer/penguin/" entered, and a "Publish" section with "Status: Published", "Visibility: Public", and "Published on: Feb 7, 2018 @ 05:36". There are also "Clip Art Categories" and "Featured Image" sections.

Clip Art Categories:

- animal
- art

## 2.3 How to Add Clip Art Categories

### Go to Clip Art Categories:

At the backend go to "Clip Art Categories" from the "Cert Designer" section. Here you will find all the already created categories and can create new ones. You can also re-edit previously created categories as well.

The screenshot displays the WordPress admin interface for managing Clip Art Categories. The left sidebar shows the navigation menu with 'Clip Art Categories' selected. The main content area is titled 'Clip Art Categories' and features a 'WooCommerce data update' notification at the top. Below the notification, there is a form for adding new categories with fields for 'Name', 'Slug', and 'Parent Clip Art Categories'. A 'Description' field is also present. To the right of the form is a table listing existing categories. The table has columns for 'Name', 'Description', 'Slug', and 'Count'. The categories listed are 'animal' (6 items) and 'art' (5 items). The table includes 'Bulk Actions' and 'Apply' buttons above and below it. A search bar is located at the top right of the table area.

Name	Description	Slug	Count
animal	animal	animal	6
art	arts	art	5
