

**COMING SOON PAGE**

**USER GUIDE**

## INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of the [Coming Soon Page](#) App for Shopify. A step by step instruction has been added to this document to help users to install this app on their Shopify stores.

This app will only work on Shopify. As a safe practice always backup your files and database before installing any app on your store. If you are looking for someone to install this app, we can do it for you as well. Just go to our store page and let our support know the order id to expedite the installation process.

Once it is installed please refer to the User Guide to help you understand how to use this app to its full capacity. If you still have questions, feel free to contact us via email at [info@extendons.com](mailto:info@extendons.com).

## USER GUIDE

### HOW TO INSTALL COMING SOON PAGE

First, at the back end, go to the [Apps](#) store. Here you will find the Coming Soon Page app. Click on [Coming Soon Page](#) and add it to your store after accepting billing. Once installed, the user will be redirected to the app interface.

**Demo Link:** <https://extendons-test.myshopify.com/pages/coming-soon>

### HOW TO CONFIGURE THE APP

At the back end, go to the [Apps](#) store from the app page. Here you will find the list of all the apps running on your store. Click on [Coming Soon Page](#) to continue.

Here you will find the following configurations:

## GENERAL

- **App Enable/Disable:** Option to Enable or Disable the Coming Soon Page app

## PAGE DESCRIPTION

- **Heading Text:** Enter the heading/title for the coming soon page **e.g.** Coming Soon Page
- **Description:** Enter a short description for the coming soon page **e.g.** Stay With Us. This helps you to customize the content of the coming soon page.

Now [Save](#) these settings and move to the next tab i.e. [Page Targets](#).

## PASSWORD ENABLE

- **Enable Password:** Option to Enable or Disable the password. It will allow specific users to login to the website
- **Password:** Enter a password to provide access to the site to only those users who know it

A screenshot of a web application interface titled "Coming Soon Page". The interface has a navigation bar with five tabs: "Page Settings", "Page Targets", "Social Networks", "Templates", and "Assets". The "Page Targets" tab is currently selected. Below the navigation bar, there is a section titled "Password Enable". This section contains two settings: "Enable Password" with a checked checkbox, and "Password" with a text input field that is currently empty and has a grey background.

## PAGE TARGETS

- **Enable Subscription:** Option to Enable or Disable the subscription/registration to allow the users to subscribe and get notifications of the opening of the shop
- **Button Text:** Enter a text for the subscribe button **e.g.** Subscribe Now
- **Email Placeholder:** Enter a placeholder that will display in the email field **e.g.** Enter Email Here. A place holder is a short hint displayed in the text field before the user enters a value.
- **Success Message:** Enter a success message **e.g.** You Have Subscribed Successfully
- **Error Message:** Enter an error message **e.g.** Some Error Has Occurred

The screenshot shows a web interface for configuring a 'Coming Soon Page'. At the top, there's a navigation bar with five tabs: 'Page Settings', 'Page Targets' (which is selected), 'Social Networks', 'Templates', and 'Assets'. Below the navigation bar, the 'Page Targets' section is visible. It contains four settings, each with a label and a text input field:

- Enable Subscription:** A checkbox that is checked.
- Button Text:** A text input field containing 'Subscribe Now'.
- Success Message:** A text input field containing 'You Have Subscribed Successfully'.
- Email Placeholder:** A text input field containing 'Enter Email Here'.
- Error Message:** A text input field containing 'Some Error Has Been Occured'.

## COPYRIGHTS

- **Enable Copyright:** Option to Enable or Disable the copyrights
- **Copyright Text:** Enter your copyright text

Save

Now **Save** these settings and move to the next tab i.e. **Social Networks**.

## SOCIAL NETWORKS

- **Enable Social Networks:** Option to Enable or Disable the social media networks. If you don't find the social network you need on the list, please contact [info@extendons.com](mailto:info@extendons.com) and we will add it.

- Google
  - Facebook
  - Twitter
  - LinkedIn
  - Pinterest
  - YouTube
  - Instagram
  - Tumblr
  - Reddit
- **Facebook:** Provide your Facebook page URL
  - **YouTube:** Provide your YouTube channel URL

The screenshot displays the 'Coming Soon Page' configuration interface. At the top, there are navigation tabs: 'Page Settings', 'Page Targets', 'Social Networks' (which is selected), 'Templates', and 'Assets'. Below the tabs, the 'Social Networks' section is active. It features a checkbox labeled 'Enable Social Networks' which is checked. Below this is an 'Add' button with a dropdown arrow. Two social network entries are listed: 'Facebook' with the URL 'https://www.facebook.com/extendons' and 'Youtube' with the URL 'https://www.youtube.com/channel/UCjSle1jJ4Tv2hqENjulikoA'. Each entry has a trash icon to its right. At the bottom right of the settings panel, there is a blue arrow pointing to a 'Save' button.

Now **Save** these settings and move to the next tab i.e. **Templates**.

## ACTIVE TEMPLATE

- This is the template customers see when they visit your store. You can view this template on the frontend by clicking on the **View** button & can also **Customize** the template as per your own requirements.

If you click on the [Customize](#) button, the following settings will appear at your screen:

## CUSTOMIZE

- **Font:** Option to change the font of the active template
- **Logo:** Option to upload a logo for the active template

## BACKGROUND

- **Gradient:** Select a gradient for the active template
- **Image:** Select a background image for the active template
- **Upload Background Image:** Upload custom background image for the active template (**Note:** Size of images should be 1920x1080 and maximum 1 image is allowed)

## TEMPLATE LIBRARY

- You can manage your store's coming soon page template. You can [Preview](#), [Publish](#), or [Customize](#) any template from the existing templates.

## CHOOSE TEMPLATE

- Select a new template and publish to view on the store as coming soon page. You can also explore coming soon page free templates, all designed to offer the best experience.

## HOW TO UNINSTALL COMING SOON PAGE

At the back end, go to [App Configurations](#) from the app page as highlighted above. Here you will find a tab named [Assets](#). Click on this button and a new screen will appear.

### ASSETS

Add CSS Style Asset once a new theme is installed.

- Add CSS, Templates, Snippets, and images to the theme
- Remove CSS, Templates, Snippets, and images to the theme

**Uninstall Notice:** Before uninstalling this app, remove the asset file (CSS) by pressing the "[Remove Asset](#)" button in the below Asset section.
