USER GUIDE

After reading the installation guide of the module, you are now ready to use Currency & Language Switcher Extension by using the following steps.

HOW TO ADD/EDIT CURRENCY & LANGUAGE

At the back-end, go to **Extendons GEO IP Language & Currency**. Here you will have access to all the language & currency rules in a grid. You have the option to edit the rule or add new ones. Click on **+** to add new rule.

Here you will have to provide the following information to add the rule.

General:

- ❖ **Group Name**
- ❖ **Prompt Text**
- ❖ **Group Content**
